

Gulf Stream RV SuperNova Motor Home Class C - Diesel

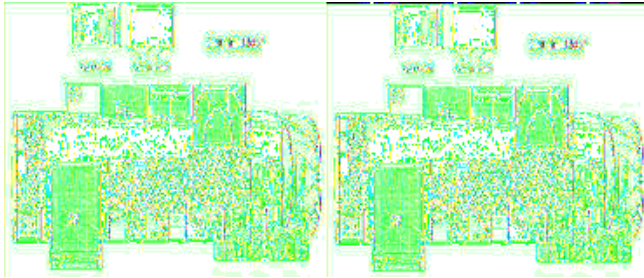

The Gulf Stream SuperNova redefines the Class-C market and sets a new standard of capabilities and function. Built on the International 4200 series chassis, the SuperNova delivers a 300 HP diesel VT365 engine coupled with an upgraded heavier duty 2500 series Allison transmission.

The stylish interior cab features a spacious, ergonomic interior design while providing ease of use and function. The stylish front hood can be opened using only 27-lbs. of pressure, for ease of checking fluids and performing routine maintenance. With over 900 International Truck service centers across the country, the SuperNova is not only convenient to drive, it is convenient to service, as well.

The innovative and visionary SuperNova from Gulf Stream offers four unique floorplans featuring benefits such as; curved style cabinet doors and solid wood cabinetry, 7' ceiling heights, enormous fresh water capacity, metallic ducted air systems, ingenious 3-zone living arrangements and much more. The SuperNova provides an unparalleled level of convenience, comfort and capabilities. Why not get yours today!
