

Winnebago Tour Motor Home Class A - Diesel

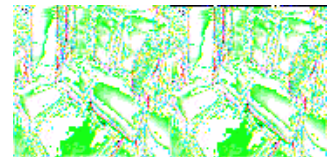

Take the tour of a lifetime in a Winnebago Tour class A diesel coach! Starting out right with the smooth handling and exceptional ride of the Maxum Chassis™ underneath a powerful 400 hp Cummins ISL 8.9L turbo diesel engine, this beautiful coach can take you wherever you dream to go.

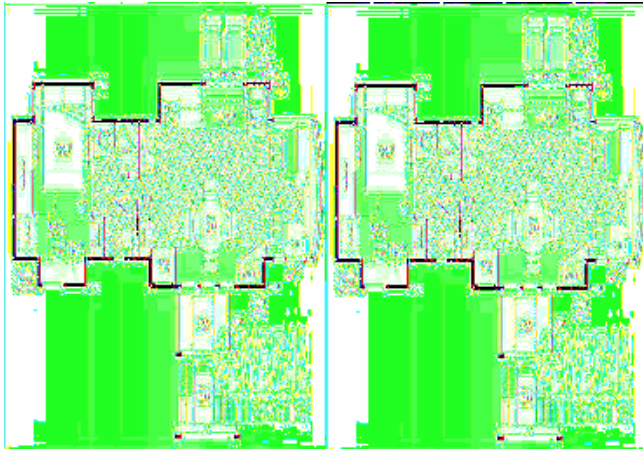

Choose one of four floorplans in double, triple or quadruple slideouts. Model 40WD features a giant full wall slide to give you maximum living space with its comfortable at-home feel. Decorate the inside by selecting one of three interior fabric choices to pair with one of five cabinetry wood stains in a wide range of colors.

You'll love the Winnebago exclusive SmartSpace™ design concept that encourages the use of innovative features to make the most of the available space which you'll find evident in all four models. With plenty of room to take everything you need to travel the country in style and comfort, your Tour awaits you.

Take a Winnebago Tour the next time you want to change the scenery around you!
