

Winnebago Journey Motor Home Class A - Diesel

Check out the Winnebago Journey class A diesel motorhome. Completely redesigned from the ground up, it is sure to remain a favorite among diesel lovers. Powered by a 350 hp Cummins engine on a Freightliner XC Chassis with a 29,410 lb. GVWR this coach can take you on any journey to wish to go.

Available in your choice of three floorplans with double or triple slideouts to maximize your living space. New model 34Y features a full wall slideout on the drivers side with a king bed slide in the master bedroom for a comfortable nights rest. Model 39Z also has a king bed slideout for sleeping.

You'll love the full kitchen and bath amenities and SmartSpace design to give you plenty of storage space and user friendly features in all the models. For example, the BenchMark full comfort dinette provides you a comfortable place to dine and also converts to a sleeping space at night. It also provides you additional storage under each seat cushion. Now that's creative thinking!

Let a Winnebago Journey take you on your next adventure. It's the class A that you'd be proud to call home!
