

Winnebago Era Motor Home Class B - Diesel

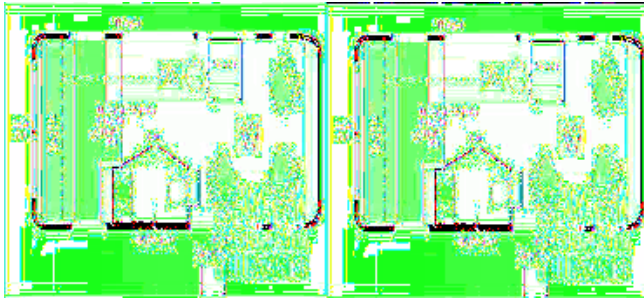

Welcome a new Era by Winnebago with all the freedom, flexibility and fun an RV is able to offer. With residential comfort the new Era has the automotive performance you've come to expect from Winnebago.

The powering source of a Mercedes diesel engine makes this RV an easy go-anywhere vehicle. With a choice of two floorplans with two trim packages to fit any lifestyle. The base Touring package and the Limited package offer standard UltraLeather, a dash applique, enhanced graphics and many other upgrades.

Experience the new Era from Winnebago Industries. Let the Era take you where you want, when you want. The fun starts the moment you hit the road!
