

Itasca Navion Motor Home Class C - Diesel

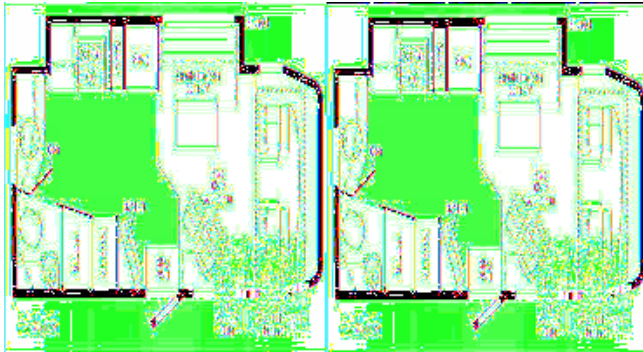

The 2009 Itasca Navion brings you power and economy everywhere you choose to roam. There is no sacrificing one for the other. The Dodge® Sprinter chassis is being powered by a Mercedes-Benz 3.0L turbo diesel engine which will take you anywhere. The Adaptive ESP® technology featured in each model senses vehicle load and performance parameters which maximizes handling, giving you stability and a smooth ride along the way.

On the inside you'll find Itasca's SmartSpace™ design being utilized in each of the three floorplans bringing you more storage space and innovative features. Choose from three beautiful interior fabric decors to customize the coach to your personal taste and style. Enjoy the additional space with a slideout in each model. Model 24A features a full-wall slide to really maximize your interior space. If you don't need the extra sleeping space choose an optional front entertainment center that is available on all models except 24A.

Take a new look at the country surrounding you in a 2009 Itasca Navion. The Class C diesel coach that puts a new perspective on the road ahead!
