

Itasca Impulse Motor Home Class C

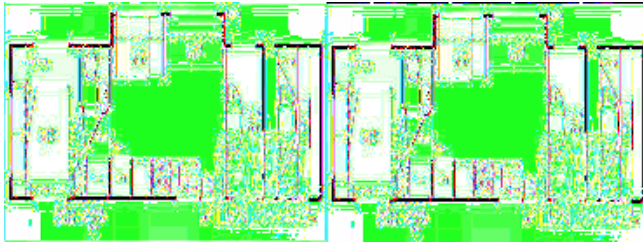

Make your travel adventures a memory not just a dream in one of this years Itasca Impulse Class C motor homes. No searching for hotels or good restaurants, with the Access you have all you need right at your fingertips. Best of all, the surprisingly affordable price will make it easy to own allowing you the freedom to go whenever you want.

Like all Itasca motor homes, the Impulse features functional floorplans with the SmartSpace design philosophy giving you an extremely versatile motor home with plenty of storage. Choose from four different layouts in single, double and non-slide models. All models offer a front entertainment center option in place of the cabover bunk. Sleeping four to eight individuals comfortably makes the Impulse a perfect choice for the adventurous family.

Enjoy your choice of an interior upgrade package for stylish touches such as Titanium Touch™ stainless refrigerator doors, glass cabinet door inserts and a kitchen backsplash. Plus, you even have a choice between a Ford or Chevy chassis and engine size.

Make all your travel dreams accessible and choose the Itasca Impulse Class C for your next adventure.
