

Winnebago View Motor Home Class C - Diesel

The 2009 Winnebago View brings you power and economy everywhere you choose to roam. There is no sacrificing one for the other. The Dodge® Sprinter chassis is being powered by a Mercedes-Benz 3.0L turbo diesel engine which will take you anywhere. The Adaptive ESP® technology featured in each model senses vehicle load and performance parameters which maximizes handling, giving you stability and a smooth ride along the way.

On the inside you'll find Winnebago's SmartSpace™ design being utilized in each of the four floorplans bringing you more storage space and innovative features. Choose from three beautiful interior fabric decor choices to customize the coach to your personal taste and style. Enjoy the additional space with a slideout in all four models. Model 24A features a full-wall slide to really maximize your interior and 24P has a set of bunks for the kids and an optional front entertainment center that is available on all models except 24A.

Take a new look at the country surrounding you in a 2009 Winnebago View. The Class C diesel coach that puts a new perspective on the road ahead!
