

## Keystone RV Passport Travel Trailers

You'll want to start traveling with a new Passport by Keystone RV. With customer demand for lightweight, fuel-efficient travel trailers at an all-time high, the Passport ultra-lite is finding favor with families who want to maximize fuel efficiency but maintain all of the conveniences of a feature packed RV.

Passport travel trailers gives you the option of fourteen different models to choose from. Designed to be towed by half-ton trucks and SUV's, the new Passport is a light weight, well-appointed trailer for today's camping family. Just because it's lightweight doesn't mean it's light on features or quality. With large sitting areas including residential sofa's and oversized galley slides you will be able to entertain plenty of family and friends.

So, if you want a lightweight fuel efficient way to travel get a 2010 Passport ultra light travel trailer from Keystone. You'll never want to leave home without your Passport!
