

Four Winds RV Hurricane Motor Home Class A

Live better while on the road in a 2010 Hurricane Class A motor home by Four Winds. It is the perfect blend of elegance and power. The Hurricane surrounds you in a magnificent blend of world-class comfort and contemporary style. With a choice of innovative floorplans, exquisite interiors and distinctive exteriors--you'll find a model to meet your needs, tastes and lifestyle.

Like all other Four Winds motor homes, the Hurricane is no exception when it comes to quality standards both inside and out. Models are available in either non-slide, double or triple slideout floorplans that include spacious designs to provide you with a place to relax in comfort and style on any journey after a full day of activities or entertaining guests.

You'll find in each model a fully equipped kitchen with brand name appliances and a tranquil escape in the attractive bedroom appointments. You'll also love the Mega Storage on select models which offers more exterior storage than most Class A motor homes, as well as additional features. The extra large rear storage compartment has three convenient exterior doors for easy access on all sides. You can easily see with the Hurricane Class A that nothing else will quite measure up in comfort, quality and value. Let your whirlwind adventures begin today in a new 2010 Hurricane motorhome by Four Winds!
